SCHOOL TRIP

In this Issue..

SCIENCE IN ACTION!

UIS visited Ontario Science Centre and participated in their DNA transformation lab. Most of these students were science taking students. This is the first time being exposed to so many different machines in a real lab environment.

- Student ID's
- New UIS Meal Plans
- New Staff
- OUAC Update
- School Trips/Events
- Media Club
- UIS Summer Camp

At First the students seemed a bit over-whelmed, but with a good instructor and teachers as assistants, the groups had successful results! For any information about UIS student events, please email at guidance@uihs.ca

UIS MEAL PLAN

OUAC UPDATE

READY TO SERVE

MIDTERM GRADES ARE GOING IN

UIS ensures the well being of our students and not just academically. We also want to make sure that our students have a nutritionally balanced meal. Food is a big component of learning because the brain uses 25% of the energy produced by food. Thus, we are launching our new meal plan.

Students' hard work has past their halfway point. Our midterms are in, and we will be updating our students' midterm grades on OUAC at the end of this month. This is one month earlier than other private schools, and public schools. This is to ensure that our students are competitive in the university acceptance process.

This menu consist of Asian and Western foods to cater students taste buds. We spent a day introducing the menu to our students and they were all quite satisfied with the menu and with the taste!

More offers of admission are rolling in our door step as we speak. Good luck all to our students and to their future.

For any more information, please email us at info@uihs.ca

For any admission inquiries, please email us at guidance@uihs.ca

NEW STAFF—EXPANDING OUR HORIZONS

NEW ADDITION TO THE UIS FAMILY

UIS would like to welcome two new staff members, Kha Nguyen who is our representative in Ho Chi Minh and Ann Hoang who is a regional manager in Hanoi to our UIS family. They have many years of experience in the educational field. They will work closely with our main campus providing answers to questions regarding UIS and the high school system in Ontario. They will also create optimal study plans to our prospective students.

Please contact Ann Hoang at vietnam1@uihs.ca for more information and Kha Nguyen at vietnam@uihs.ca.

UIS CLUBS

MEDIA CLUB IS NOW RUNNING

UIS Media club meets every Thursday in the student lounge after school. Here, the student meets other students with similar interests and work on projects which builds skillsets they may need in their future. In the Media Club, they learn about shooting and editing videos as well as interacting with other people. With the guidance of a UIS faculty member, they create projects that help them learn and create something they may be proud of. Here is a sample video they worked on during the days leading up to Valentine's Day. If you would like to know the answer go to:

<https://youtu.be/EJRq1driwc>

For additional info, please visit us at uihs.ca, or email us at guidance@uihs.ca.

UIS SUMMER CAMP

06.24.2018 UIS SUMMER CAMP GEARING UP!

Highly anticipated UIS summer camp is coming! UIS summer camp students will be arriving in Toronto on June 24th, Sunday to be chaperoned to the most modern and sophisticated residence in Toronto. Our residence features many amenities for students' convenience like fitness club, wifi, and meal plan, as well as much convenient location, right at the heart of downtown.

This year's summer camp is running from June 24th to August 12th, 2018. Our summer camp is not only designed for students to expand their English skills, but also, for them to have a quick glimpse of Ontario high school curriculums in ESL classes. Their reading and writing components will contain some academic components in them so they will get a chance to learn about math and science facts in English.

This doesn't mean our camp is planned to be dull and boring. UIS Summer camp contains much excitement, like visiting Wonderland, Niagara Falls, or visiting beaches. Such summer activities are fully booked to keep them busy and to get them involved in Toronto's summer fun.

please visit us at uihs.ca, or email us at info@uihs.ca.
