IELTS Mock Test

UIS first IELTS Mock test was held on July 5th. UIS students were apprehensive about writing the exam and some feared for the possible disappointment after the result came out. Once students have submitted their exams, the exams were marked promptly by English and ESL teachers. Students found this a good opportunity for themselves to learn where they stand in terms of the end goal for university/college entrance. This IELTS mock test will continue at UIS until all our students successfully move on to their dream schools and will be provided FREE of charge to our full time students.

For further questions regarding changed schedule starting in September, please email us at info@uihs.ca.

OUAC UPDATE

All Marks In!

We have entered all the final marks for the Third Semester. Final input regarding OSSD and graduation has also been updated. If you have any question please contact guidance@uihs.ca.

UIS GROWTH

UIS Is Growing (Year Book)

Thanks to UIS yearbook team and UIS staff, UIS published 2017-2018 Yearbook. Flipping through the book, it showed the snap shots of the most cherished moments. This year's Yearbook is especially well done and it shows insights into the busy year that we had since the new management. Looking back, a lot has happened. Many additions to the staff and newly developed programs, while ambitious students thriving to move on to their dreamed schools. All grade 12's have successfully moved on now, and we are working hard with the freshmen and we are getting ready for another round of busy year starting September.

STEPS TO SUCCESS

BBQ PARTY

Year End Barbeque

To celebrate a successful year together, UIS staff and students went to one of our locations. It was a good time for students and teachers to mingle outside the box, seeing teachers in more comfortable attire than what they were used to. Teachers got a chance to relax and show their wild side by singing and chatting with the students. Our President, Tony Kim was our chef for the day who made great hamburgers and hotdogs. We will make sure our next year end barbeque is bigger and better.

SUMMER CAMP

Summer Camp Wrap Up

UIS' first ever summer camp has wrapped up successfully. Our camp which started six weeks ago and thanks to all the hard work by the camp staff, it has been very successful. Our camp is designed to have students learn English as well as experience some of Ontario's high school curriculum and experience Toronto. These include things like visiting high-tourist-sites to discover Toronto, out-door barbeque, play-in-the-park. Some of our campers decided to join UIS as high school student in the upcoming academic year —AWESOME! Good luck to all the camp students and hopefully we will get to see them next year. Please congratulate our staff for their hard work!

CLUBS

Lets join a Club:

UIS now has several new clubs:

Volunteering Club — this is for students who want to be more involved in the community. This club will arrange to go around different places in Toronto and provide simple community services.

Fitness Club — For students who enjoys exercising and/or staying fit, this club is for you. This club has already started but it is not too late to Join.

Soccer Club — For students who love soccer or even just want to stay active this club might be right for you. Students meet at a club where they play soccer. (All skill levels welcome)

All the clubs are monitored by UIS Staff. Join Today! For any information regarding the club, please email us at guidance@uihs.ca.
