EQAO– OSSLT is Upon Us

Academically, students prepared well for the OSSLT exam on March 28, 2019. The exam day went very smoothly, students showed up on time and worked hard on the test.

RECAP! OSSLT is the Ontario Secondary School Literacy Test that students must do and pass in order for them to graduate from an Ontario High School system. Upon finishing the exam, students have options to take OSSLC course to ensure the passing of this requirement. This course will start next semester to help students with their diploma requirement. Start preparing, start registering! Regarding any questions about OSSLT or OSSLC, please inquire at guidance@uihs.ca.

TALENT SHOW

UIS Got Talent! March 27, 2019

For the first time, UIS hosted a talent show in its North York Campus! Students showcased their singing, dancing, performing skills and much more. It was a great afternoon with many wonderful performances and a great audience. For 2 hours and a half, we were mesmerized by the shows put on by our students and were extremely proud of everything they offered.

The judging panel voted on the best performances and handed out awards to the hard working and talented students! The top performances will be invited to entertain students and guests during our graduation party, and we are so excited to see them perform again!

STUDENT LIFE

Day at the Museum

The students and teachers, buzzed with energy, all met at the main campus in Eglinton where they gathered and prepared to head off to the Royal Ontario Museum. Once set, they were on their way to enjoy and to learn about several different civilizations and cultures that have existed throughout history.

Some of the topics students learned about were: Egyptian and African history, ancient Asian history, the diversity of life and pre-historic Dinosaurs!

The students were in awe with all the amazing artifacts and history. It was a great day.

SUMMER CAMP

Sizzling Summer, Fun Camp

This July, UIS is hosting an International student summer camp for its second year. After last year's great success, we are giving students the amazing opportunity to learn English in Toronto, and the opportunity to explore all the sights in Toronto in a safe and closely supervised-learning environment.

Students have the opportunity to experience university life in Toronto, where they will be taking their ESL classes throughout the summer in university classrooms and will be accommodated in university housing.

5 days a week for 1, 2 or 3 weeks, students will be learning the fundamentals of the English language in the morning, and about the life in Toronto by exploring cultural, historical and touristic sights in the afternoon.

For more information on this great opportunity, please contact info@uihs.ca.
